

# Certified EDSP Designation Placement Guidelines

## The Extron ProDSP Specialist Certification Program enables you to:

- Learn to use Extron DSP Configurator Software to set up, manage, and control Extron digital audio processors and integrated products with ProDSP
- Learn about best practices for optimal audio setup with Extron audio DSP
- Use Extron DSP configurator templates and building blocks for implementation of a variety of applications
- Customize Extron DSP Configurator templates and building blocks to match your needs
- Validate proper DSP setup for multiple AV applications using acquired knowledge of Extron ProDSP products and their audio functions
- Configure and deploy Dante-enabled Extron products in networked audio applications

As a certified Extron ProDSP Specialist, EDSP, you may place the full title of your credential on your company business card, email signatures, resumé, and related stationery to add professional credibility to your status in the AV industry.

### The certified Extron ProDSP Specialist designation may be displayed in one of the following ways:

#### Text Option Guidelines:

- Use exactly as shown above
- Times New Roman font
- Font size should be consistent with other elements on the business card, resumé, or related stationery

#### Logo Option Guidelines:

- Download EDSP logo from the Extron website
- Use exactly as shown above
- Logo must not be smaller than 1/2" wide
- Text and logo options cannot be used together

Certified EDSP is an individual certification and not a company certification; therefore, this designation should not be displayed in any way that suggests the entire company carries that certification.
